

COMPANY PROFILE

- Your Health is our Concern -

The New Pharmacy Group of Establishments

Fastest Growing Family Owned Healthcare Provider

VISION

To become the most trusted multifaceted health care leader to the nation.

MISSION

Deliver quality services beyond expectations, becoming highly skilled knowledgeable caring partner by constantly providing excellent innovative pharmaceutical, health and wellness solutions to the society.

Strong Sustainable Relationship

As a focused leader in healthcare industry, we are determined to maintain and grow our relationship by touching the lives of all Sri Lankan and Global Citizens each year with trusted care in multidimensional health and wellness solutions.

Sharing Experience in Decision Making Process

We are committed to support everyone who is involved in healthcare sector operations and beneficiaries such as hospital administrators, physicians, nurses, patients, consumers and the workforce to overcome specific challenges they face in day to day life.

Further to apply our deep insights through a talented and engaged workforce to produce a healthier and happier nation and improve lives of people with our products, solutions and service excellence for the well-being of the society which can make a great impact on the social, economic and environmental dimensions of the country.

OUR BUSINESS SYSTEM

We create value for our stakeholders incrementally inspired with our vision and mission to establish TNP Business System focusing on People Planet and Profit.

Our unique TNP business system simplifies processes, increases efficiency and effectiveness with continuous improvements which allow us to spend time in creating more values to the customers.

High quality patient care are the top concerns in our core values. Our team is dedicated round the clock (throughout the year) to deliver high quality healthcare solutions to all our customers to their utmost satisfaction.

The New Pharmacy Group of Establishments

Achieving Unparallel Excellence & Achievement

Dr.K.K Pushpananda Sirisena

Chairman / Managing Director

(PhD.) Business Management & Entrepreneurship, KEISIE International University

“I believe innovative and strategic thinking is needed to succeed globally. Intuition, imagination, analysis and smart work towards achieving ultimate goal is the secret of my success.”

PINNACLE OF ACHIEVEMENT

During my school days onwards, I got used to visit my father owned Pharmaceutical retails outlet & spend time over there lively involving with the business.

My father Mr. KK Sirisena registered pharmacist (At Ceylon Medical Council) concern was prevailing me in going for higher education hence I was the one & only son to be around him and look after the business.

My father's visionary was to mould me to take on the mantle of Management as the Managing Director of The New Pharmacy Group of Companies.

At the point of my induction in 1988 my father was managing retail operation at No 04, Negambo Road and No 16, Perakumba Street pharmaceutical retail outlets.

Pharmaceutical wholesale and distribution was establish at No 85A, Kandy Road, Kurunegala under my management in 1988 and finally we formed New Pharmacy & Company in 1993 as a new entity in our group. Wholesale distribution of all the leading pharmaceutical companies were done at New Pharmacy & Company

During 1993 I was giving full fledge of authority to manage total operation of three pharmaceutical outlets (01.No.04, Negambo Road, 02.No 16, Perakumba Street and 03.New pharmacy Galgamuwa) and as well as New Pharmacy & Company.

Since my induction to the business I have been able to capitalize on market shares and grown the business from strength to strength and as at today we have become the Leader in wholesale and Retail pharmaceutical business in North Western and North Central Provinces.

The New Pharmacy Group

Your Health is Our Concern
