# Founder's Welcome

*Dear Parents,*

*I am delighted to welcome you to Unic International College. This prospectus represents our vision and commitment to providing an excellent education for young people so they may become independent, active and responsible members of society.*

*I am very proud to be a founder of this rapidly growing and improving school and am committed to leading it through the next phase of development and beyond. I have high expectations and very much believe in close home/school partnerships in order to bring about the best in every young person, including those of exceptional ability and those who have learning difficulties. I am passionate about the provision of a strong and caring system of support and guidance, because it is absolutely crucial that young people are happy and secure in their learning environment.*

*We are very fortunate in having a team of extremely committed, highly qualified staff who are dedicated to serving the young people of this school as it continues to grow in number year by year. I am proud to welcome you to Unique International College.*

*Yours Sincerely,*

.....  
*Dr. Santha Jayasundara.*  
*Founder*

# Message from the Principal

*Dear Students,*

*We congratulate you on your successful completion of GCE O/L exam ready to welcome you for Advanced Levels, which will be a determining factor in your future career.*

*Advanced levels are challenging and two fruitful years if you decide to make it so. You have to make the correct choice of your subjects, streams that will help for your career path. You will find attached subject basket overview and application forms; please read and fill them carefully and hand it over to the front office or email it.*

*I wish you good luck and hope that you and your families are keeping safe during this time.*

*Yours Sincerely,*

.....  
*Mrs. Priyanka Karunasinghe.  
Principal*

# Introduction

## Unique International College (UIC)

Unique International College -Kurunegala (UIC) is delighted to welcome you to the defining years of your schooling career. You are now at a cross roads and faced with making choices which will significantly determine your future path and career ambitions.

Advanced Levels are where you should have to significantly focus on all the subjects you chose. Do not mistake it for Ordinary Levels; these two years will require double the effort and concentration under guidance of specialist ,attention and advice of a qualified and dedicated staff ; we as UIC are to help you on the journey you are about to begin.

Equal priority is given to facilitate extra -curricular and co-curricular activities including sports, art, dancing, and music through qualified professionals, highly equipped learning environment, online teaching facilities, ensuring our students are physically, mentally and emotionally strong and stable to meet the challengers of tomorrow.

***“Our service is above self”***

### Our Vision

Charcoal can be converted to Diamond

### Our Mision

We positively motivate, encourage and appreciate our children to expand their knowledge, to enrich skills and change their attitudes to develop creative personality.

# SUBJECT BASKET OVERVIEW

*Schools are expected to be an institution which paves the way to reach the destination of pupils and their parents, and the school is to fulfill the national goals of our nation. Therefore, examination results to be maximized, paving the way for actualization of the lifelong investment of students in education that will enable them to acquire higher education and competencies matching to the current global job market .Hence the school management and leadership has a distinguish task of exploring various approaches to improve the quality of AVL section in school . Student's performance in public examinations and how they overcome their life challenges are effective indicators in quality improvement in education. If the schools have a variety of options in subject selections leading to advancement of their future life & fitting to current trends & demands, perfect learning environment will be created for students & outcomes of learning will be maximized. More over total personality development, characterized by creativity, initiative, discipline, team spirit, will be promoted among the AVL students.*

*All these subjects will be offered and assessed over the course of two years. Each subject will require a tremendous amount of hard work with a minimum of 10 periods per a week. The program will commence in the Month of June and final exams scheduled to be held in the month of August.*

*The school will be equipped with qualified and experienced teachers and subject expertise to conduct support seminars, guest lectures and will organize field trips ,community projects and sports activities to make your life balanced between work and socialization, to groom you as future leaders !!*
